

Report
Prayer Service – First Day of Academic
Year
2025–26

Beginning with Grace: A Prayer Service to
Mark 60 Years and Welcome the New Academic Year

Date: 9th June 2025

The academic year 2025–26 began with a meaningful prayer service, conducted by the School Cabinet Members under the guidance of in-charge teachers Ms. Julie and Ms. Mary, setting a tone of gratitude, unity, and renewed purpose. The theme, Excellence, Commitment, Growth, and Success, encouraged both students and staff to step

into the New Year with Motivation and Dedication.

This year holds special significance as the school celebrates its Diamond Jubilee – 60 years of excellence in education. On this proud occasion, Sr. Sahaya Vimla, our respected Principal, addressed the gathering with words of encouragement and reflection. She expressed gratitude for the school's journey and urged students to aim high, stay committed, and grow in both academics and character. She also introduced new staff members and announced the launch of Robotics and Coding classes, giving students valuable opportunities to explore modern skills and innovation.

The service concluded with a prayer asking for the blessings of God for the year ahead. It conveyed a message of hope, strength, and faith, inspiring everyone to move forward with confidence, responsibility, and a strong sense of purpose as they begin a new academic journey.

Thank you,
Literary Club,
Jiya Thakkar
