

On the occasion of the retirement of Mrs. Leela Vaghela, Support Staff, who has rendered 37 years of dedicated and exemplary service to Mount Carmel High School, a heartfelt farewell ceremony was organized in her honour.

The programme commenced with a prayer service, invoking blessings for her and her family. As a token of appreciation and affection from the institution, she was felicitated with a potted plant and a shawl. The event concluded with a fellowship lunch, marking the end of a memorable and emotional celebration.

A Handwriting Competition in English, Hindi, and Gujarati was held at Mount Carmel High School on June 16, 17, and 18, 2025, respectively. The event aimed to encourage students to enhance their handwriting skills and to appreciate the art of neat and legible writing.

Students from all grades participated with great enthusiasm. Entries were assessed based on parameters such as legibility, style, spacing, alignment, and overall presentation. Under the careful supervision of class teachers, participants were given a fixed passage to transcribe within a stipulated time.

A panel of teachers evaluated the submissions, and the top three entries from each grade were selected for awards. Winners were felicitated with certificates and small tokens of appreciation during the school assembly.

The competition not only emphasized the value of good handwriting but also fostered discipline and focus among the students. The event was a resounding success and received positive feedback from both students and teachers alike.
